REMINDERS:

If you are "2" at 5:30 or 11:00 Mass, please remember to stand closest to the black railing which is on St Mary's side, it helps in the flow.

Call me with any questions or concern.

Thanks again to all of you who have been going out to the Homebound, the weather has been a challenge and we appreciate you making the effort to get around.

Note:

Francis Smolsky, Route 5, she asks that we use the back door now instead of the front. There is alley access parking, if you prefer you can use the alley. I am putting her first on the route now and Marie 2ND, Dorothy Arrasmith has been added to Route 5, you can park in the driveway to the north of her house.

Thanks again for being an EMHC.
